Exciting Speaker Lineup:

Sarah Fields: Chief Counsel LibertyCentral.org: "The Electoral College: The Framers Prescient Safeguard"

Garrett Lear: New Hampshire's Patriot Pastor: "The Return of the Divine Right of Kings"

Dr. Edwin Vieira: Law Professor & Constitutional Attorney: "The Imperial Presidency: Was George III"

NHCCS' SPECIAL FEATURE:

Founding Fathers: Gouverneur Morris, James Madison, Benjamin Franklin, & Gen. Geo. Washington *plus* the "Useful Idiots" in...

A Republic...IF you can keep it!

An hilarious spoof portraying how today's cast of progressive "thinkers," who currently fill out the role of the modern day journalist, might be seen and heard reacting at a White House Press Conference were the Framers' to announce the details of their plan for a limited general government today.
